A MESSAGE FROM THE PRESIDENT

Dear Friends and Colleagues,

I am honored and proud to be your new President. I want to thank every one of our members, directors, staff, volunteers, sponsors, and business partners for making the MRCC Bergen County's premiere chamber of commerce. Currently serving 600 members representing 90 communities throughout Bergen, Passaic, Morris, Hudson, Rockland, and Orange counties, it's our members who make this organization unique and prosperous.

This directory is a representation of like-minded individuals and organizations that recognize the value of belonging to an organization dedicated to promoting and protecting the interests of the business community. It is intended to act as a go-to resource when looking for professional services. Personally, whenever I need a service or to provide a referral, I know I can find a trusted member in our directory.

The MRCC is an amazing organization with over 60 years of history. There is something for everyone within our Chamber. I encourage you to get to know your fellow members by getting involved with one of our committees and attending some of our many annual events. Together we can help each other grow and prosper.

If there is anything I can do to enhance your experience with the MRCC, please feel free to reach out to me directly. I look forward to working with each and every one of you.

What was once a vision
is becoming a reality.

Have you seen The Vista lately? It's all coming to life with sitework underway, and new renderings that help transform our vision into reality. Unlike any other Continuing Care Retirement Community (CCRC) in the area, The Vista offers an active, independent, maintenance-free lifestyle backed by the strength and resources of the locally-owned, non-profit Christian Health Care Center.

Visit the Information Center to see the progress and discover The Vista lifestyle. Many of our floor plans are close to being sold out. Low pre-construction prices will expire soon.

PRICES WILL INCREASE APRIL 1.

WHAT OUR MEMBERS ARE SAYING

Randi Colton • FitChick CPR

"I am now entering my fourth year with MRCC and as soon as I joined, they welcomed me and told me how to get involved. I was able to get involved right away by joining the Reserves committee and, later on, the Membership committee. I have met so many people in the Chamber that have now become my friends. On the business side, my company (FitChick CPR) was published in the Chamber Briefs and I was also able to present a seminar which was promoted on social media. Both gave FitChick CPR attention throughout the Chamber. Joining MRCC has given me opportunities to meet new people and promote my business."

Stew Smith, CISM • Business Machine Technologies, Inc.

"Joining the Mahwah Regional Chamber of Commerce (MRCC) has been an outstanding experience for our organization. There are so many opportunities to network and build relationships. The events are well organized and offer something to fit just about every business person's interest. Regardless of your size or type of business, MRCC is a great investment."

Helene Klassens • A.R.E. Coaching & Mentoring

"Becoming a member of MRCC has provided me with so many incredible opportunities to network, collaborate and grow my business. In less than a year I've realized the benefits from partnering with other Chamber organizations in building my coaching practice. MRCC consistently offers professional, educational and business-related functions providing a vast array of opportunities to connect with the community it serves. Joining MRCC has been one of the best investments I have made to advance my business."

Tom Grissom • RVP Digital Printing

"MRCC's goal is simple: to connect our members with other business people from all around the area. After all, that's how new business is generated, whether your company is large or small. We've been Chamber members for many years, and every year it seems to keep getting better. Dollar for dollar, MRCC membership offers a great return on investment. Since I'm affiliated with a number of charitable and civic groups, I also appreciate how MRCC treats the non-profit sector as an equal partner. This shows MRCC's true community involvement."

Mara Shelby • Hidden Facets LLC

"It was absolutely the best business decision I have made thus far. Through being on committees, going to the events, and belonging to the women's group (WIBI), I have created so many new friendships and business connections. I am so very happy to be a part of this wonderful community that has and continues to expand who I am as a person. I never would have grown my business or learned as much as I have had it not been for the MRCC. I am so very grateful."

Barry Dorfman • Robert Alan Insurance Agency

"I joined the MRCC about four months ago and it was one of the best decisions I have made in order to expand my networks and business. They have many events to choose from and each event in and of itself is worthwhile. The entire staff is highly professional, willing to help and extremely nice. I am glad I joined this wonderful organization and look forward to many years of added success due to my participation in the Chamber."

WE'D LOVE TO HEAR FROM YOU!

To give us your feedback, please contact the Chamber office or stop by the video feedback booth at one of our events.

They didn't just improve my business. They changed my life!

When we first became Goldstein Lieberman clients, we weren't doing anywhere near the business we are doing today. Not only did they handle our taxes and business, they gave us advice that got us going and kept us growing.

KNOW GREATER VALUE®

Value...a simple word, yet so hard to attain. For many firms, it's become an afterthought. **Not here.**

PKF O'Connor Davies is a new breed of accounting and advisory firm that holds itself to a higher standard — going beyond passive value calculation to active value creation for leading business owners, organizations and individuals in the United States and abroad.

With unmatched client focus and connections, we continually drive efficiencies, uncover opportunities and manage risk — delivering value where others can't.

That's why we're not the typical accounting firm. Our clients know greater service. They know greater connections.

MRCC RECOGNIZED BY WORLDWIDE COMMUNITY FIRST RESPONDERS

MRCC received a 2018 Lifesaving Partner Award from Jacqueline Cassagnol, MSN, RN, PhD(s) of Worldwide Community First Responders at their 7th Anniversary & Fundraising Gala. While many members of MRCC were on hand for this prestigious acknowledgement, the award was received by MRCC Executive Director Sharon Rounds. "It is a pleasure and honor to receive this award on behalf of MRCC," said Rounds. She proceeded to acknowledge the importance of WCFR and their mission to train lifesaving skills to local businesses and residents, as well as those in need worldwide. Rounds thanked MRCC's Young Professionals who saw value in this organization and collected money and medical supplies through their 2017 Community Outreach Project. One hundred first aid kits were purchased and many boxes of medical supplies were donated.

Protecting Pollinators

Butterflies, birds and bees are vital to pollinating our food and flowers, but are facing challenges as more and more land is developed. In a joint project, NJBG and the Bergen County Audubon Society have created a series of new pollinator-friendly gardens at the New Jersey State Botanical Garden.

Come and explore!

NJBG is open every day, 8am to 8pm.

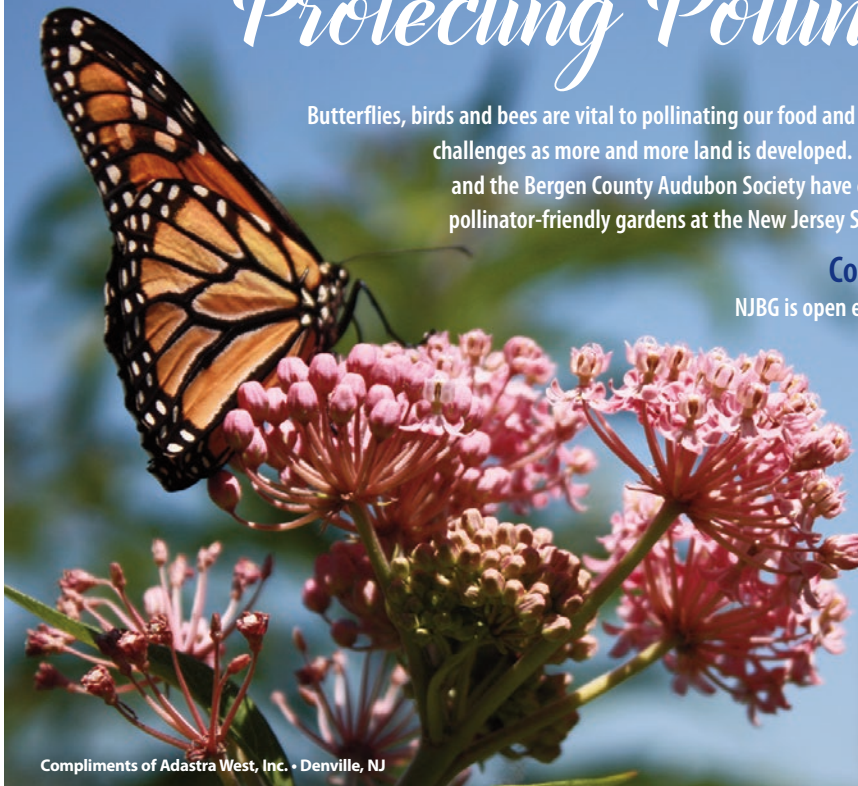

Garden admission is always free.

YPN

YPN stands for the Young Professionals Network.

The YPN was formed to provide a supportive and fun environment where professionals under 40 can build their network, enhance their personal brand, and gain access to community leaders. We welcome young professionals from all industries to join us at our bimonthly after-hours events hosted by regional venues. Come out and share your stories, exchange ideas, and make lasting connections with your fellow young professionals from the area.

YPN Gives Back is our annual community service project. Each year, we assist a non-profit member of the MRCC by collecting and making donations towards their mission. We have proudly raised thousands of dollars for charities in the past, and we look forward to continuing this service to our local community as time goes on.

A photograph of an older man with white hair and a blue long-sleeved shirt, and a younger man with brown hair and a grey and blue long-sleeved shirt. They are both looking down at a red car, which has its hood open. The older man is holding a red cloth and a thin rod, possibly a dipstick, and is wiping it. The younger man is standing next to him, looking on. The background is a blurred green landscape.
